STUDENT SPONSORSHIP

Dear _____,

I will be performing with the Norwalk High School Marching Band for the 2017 competitive season. Each weekend from September through November the band travels to compete at high schools around the region. In addition, this year the band will be competing at a national competition at MetLife Stadium in New Jersey. There are many costs associated with this high level of competition, including travel, food, uniform and equipment costs. I would be extremely grateful if you would consider sponsoring my participation in this activity. Whatever you can afford will be directly applied to my personal costs.

Thank you in advance for your help!
