

Norwalk High School CANDLELIGHT 2016

Norwalk High School's Winter Concert

"Candlelight," the Norwalk High School winter concert, will be performed December 19, 20, and 21 at 8:00 p.m. The performance lasts just over one hour. Candlelight is the oldest high school winter concert in New England. It began in Norwalk in the 1930s and has been performed every year, with the exception of two years during World War II, when lights-out regulations prevented it from being performed.

"Candlelight" includes performances from all 600+ Norwalk High School music students (including the orchestra, chorus, and band). Additional parking is available at Andrews Field and Naramake for this event. Please plan accordingly to make sure you are on time. The doors will be closed to admission at 7:55 p.m.
