

MARCHING NORWALK BAND

As part of this year's Norwalk Marching Band's Fund Raiser, we are pleased to offer a truly unique gift for your band member. Perfect for a Senior gift or to capture that special moment, these paintings are individually created either from your photos or Rick Mapes will take them as part of your fee. This is a great way to support our amazing band while having that special gift for your child. Half of every \$50.00 sale will go directly back into the band's operating fund. You can either receive the digital file alone or a print that comes in 2 different sizes.
