STUDENT SPONSORSHIP

Dear _____,

This spring I am participating in Norwalk High School's musical production of *Shrek*. The dedicated members of the cast, pit orchestra and crew practice from January through April, culminating in two weekends of public performances. There are many costs associated with a high quality musical production including music rights, props, costumes and lighting. I would be extremely grateful if you would consider sponsoring my participation in this activity. Whatever you can afford would be directly applied to my personal costs.

Thank you in advance for your help!
